www.ILC.net

- A specialized quality improvement system to ensure customer-focused support
- Annual surveys for individuals, guardians, and staff
- Monthly management visits and quarterly administration visits to home and day sites
- Incident reports reviewed by management and quality improvement

Day Habilitation

Supporting involvement at work and in the community

These services help individuals develop new talents and passions, equipping them to pursue a fulfilling life and career. Vocational Rehab includes job discovery, development, and coaching until job stability is achieved, giving an individual the skills they need to succeed.

DAY HABILITATION SERVICES INCLUDE:

- Mentorship
- Job Coaching
- Supported Community Connections
- Vocational Rehabilitation
- Specialized Habilitation

Residential Services

Living in a community to build lifelong relationships

This around-the-clock service happens through Supervised Living or Residential Supported Services, where each individual receives the support they need while living in a community with roommates. ILC also offers Host Homes, similar to adult foster care.

RESIDENTIAL SERVICES INCLUDE:

- IRRS Host Homes
- Family Caregiver
- Respite
- PCA Supports

Services Under SLS, State SLS, & CES Waivers

Innovative care that supports specific needs

While Day Habilitation and Residential are the primary services of ILC in Colorado, we also provide services under SLS and CES waivers.

THESE SERVICES INCLUDE:

- Day Habilitation
- Mentorship
- Job Coaching
- Supported Community Connection
- Respite
- Homemaker (Enhanced & Basic)
- Personal Care
- Non-Medical Transportation
